**PROPOSAL GENERAL REQUIREMENTS AND CONDITIONS**

The bidder, signing and submitting this proposal, agrees and declares as a condition thereof, to be bound by the following conditions and requirements:

- The bidder declares that they have carefully examined the site of, and the proposal, plans, specifications and contract forms for the work contemplated, and it is assumed that the bidder has investigated and is satisfied as to the conditions to be encountered, as to the character, quality, and quantities of work to be performed and materials to be furnished, and as to the requirements of the specifications, special provisions, and contract. It is mutually agreed that submission of a proposal shall be considered conclusive evidence that the bidder has made such examination.
  
- The bidder declares that he understands that the estimate of quantities in the attached schedule is approximate only and that the attached quantities may be greater or less in accordance with the specifications. The bidder agrees to perform the said work, for and in consideration of the payment of the amount becoming due on account of work performed, according to the unit prices bid in the following schedule, and to accept such amounts in full payment of said work.
  
- The bidder declares that all of the said work will be performed at his own proper cost and expense, that he will furnish all necessary materials, labor, tools, machinery, apparatus, and other means of construction in the manner provided in the applicable

specifications and the approved plans for the work, and the special provisions in the contract of which this proposal will become a part, if and when accepted.

- It will be required that the successful bidder furnish a certificate of insurance to the County Highway Department. Failure of OWNER to demand such certificates or other evidence of full compliance with these insurance requirements or failure of OWNER to identify a deficiency from evidence provided shall not be construed as a waiver of CONTRACTORS's obligation to maintain the following insurance:

Workers Compensation:

- a. Coverage A: Limits – Statutory
- b. Coverage B: Employer's Liability Limits
- c. Bodily Injury by Accident - \$100,000 each accident minimum
- d. Bodily Injury by Disease - \$100,000 each employee minimum
- e. Bodily Injury by Disease - \$500,000 policy limit minimum

Comprehensive General Liability Limits: \$1,000,000 bodily injury and \$1,000,000 property damage

Professional Liability Insurance, with a limit of \$1,000,000 annual aggregate

Certificates of insurance are required for all policies.

- The County Highway Committee reserves the right to reject any or all bids, or to accept the bid, which is most advantageous to the County. The County Highway Committee reserves the right to add or delete projects from the bid to maintain their budget.

## **SPECIFICATIONS**

**Scope of Work.** The work under this contract consists of road striping the centerline and edge line on County Trunk Highways.

The work shall be executed under the requirements of the State of Wisconsin, Department of Transportation, Standard Specifications for Road and Bridge Construction, Edition 2008 (646 Pavement Markings).

It is required that the contractor review the roads and work to be completed with the Vilas County Highway Commissioner prior to bidding, so both parties have a clear understanding of the work to be completed under this proposal.

**SPECIAL PROVISIONS**

- 1) Road striping will be completed by August 31<sup>st</sup>, 2017 unless extenuating circumstances exist and agreed upon by the Highway Commissioner.
- 2) Contractor will notify the Highway Department of their intention to begin work one week prior to the actual start of the work.
- 3) The department will have the roads marked prior to striping and a map will be provided to the contractor.
- 4) Additional roads may be added or deleted based on the bid price.
- 5) Highway Committee will review the bids and may select separate contractors for the latex or award it to one contractor depending on which is most advantageous to the county.
- 6) There is approximately 1 mile of CTH O that goes into Michigan and then turns back into WI. That one mile will also be striped and the contractor will be responsible to keep the lineal footage for MI and WI totals separate for billing.
- 7) Contractor will contact the department with weekly updates once the project begins.
- 8) Lineal footage, # of beads and gallons of paint must be provided for each road.
- 9) Due to late season snow storm the centerline miles are estimated. Contractors are encouraged to drive the roads for accurate measurements.
